PRESS RELEASE  
*For Immediate Release*

# ISO 9001:2008 Certification for All Sensors GmbH

*September 2015*

All Sensors GmbH, a German subsidiary of All Sensors Corporation, of Gröbenzell, Germany has announced the completion of its **ISO 9001:2008** certification. This certification marks the recognition of the quality management systems in place at All Sensors GmbH. All Sensors GmbH was certified by TÜV SÜD Management Service GmbH in July 2015. By ensuring and monitoring quality management systems, All Sensors GmbH will regularly review and evaluate individual processes and quality systems for effectiveness. As a result this practice will facilitate continued improvement among All Sensors GmbH's quality management systems.
